

HAPPY OCTOBER 2024

Greetings from Mephibosheth Ministry,

Yes, it's true, Greg is returning to Romania and bringing a friend this time. He will be traveling October 16 - November 3. October 27 through the 3rd, Dr. Larry Shores will be joining Greg. Dr. Larry and his wife June are the parents of Connor, who has been part of the King's Table for a few years. Dr. Larry is a staff Psychiatrist at a local hospital. We have asked him to help provide an assessment of the centers around Brasov and to give insight to the local churches. Also to share how life is with Connor with all it's blessings and challenges.

June and Larry Shores with their son Connor at the King's Table.

Greg will be in 4 four cities in the days before Dr. Larry's arrival, visiting old friends and making new ones. A full itinerary for your prayer is on the second page.

The King's Table at New Life Church is growing! Birthdays are always special there as are all of life's important events.

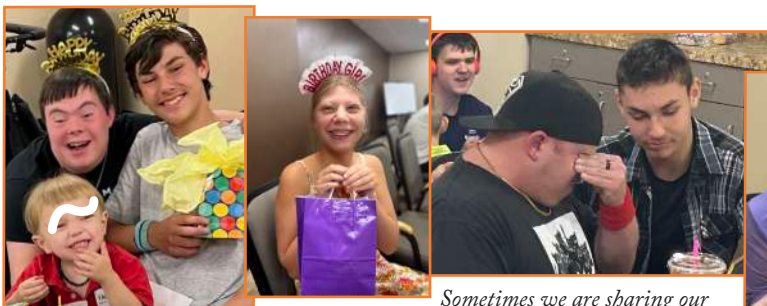

New T-shirts for the King's Table, we are missing 5 students and 6 volunteers in this photo!

This October 27, Jason Dulaney one of the students at the King's Table will be baptized. We rejoice with him in this step of faith!

The joy of serving the King's Table adults with specialized needs at New Life Church is best expressed in pictures! Our class is a beautiful blend of students, volunteers and helpers from 18 months to 82 years!

Celebrating birthdays at the King's Table

Sometimes we are sharing our sorrows for the loss of a pet at the King's Table

We love to celebrate each and every student young and old with our amazing team of volunteers.

God's blessings in Bradet are amazing in their potential to house disabled adults and children.

With some repairs these buildings will become stables and chicken coops, the land can become vegetable gardens, orchards and grazing for animals.

The project at Bradet is continuing with the Kitchen to open, possibly before Greg arrives. Pray that the kitchen opens soon and the funds are available to finish. You can donate through the website for this.
